Disclaimer

Acting as attorney or agent of record, I hereby disclaim the terminal part of any patent granted on the above-identified application, which would extend beyond the expiration date of the full statutory term of **United States Patent No. 6,763,377**, issued **July 13, 2004** and hereby agree that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to **United States Patent No 6,763,377**, this agreement to run with any patent granted on the above-identified application and to be binding upon the grantor, its successors or assigns.

- 2 -

Petitioner does not disclaim any terminal part of any patent granted on the above-identified application prior to the expiration date of the full statutory term of **United States Patent No 6,763,377**, issued July 13, 2004, as presently shortened by any terminal disclaimer in the event that it later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued, or is otherwise terminated prior to expiration of its full statutory term as presently shortened by any terminal disclaimer except for the separation of legal title stated above.
